TECHNOMAR VELVET 35

Motor yacht Tecnomar Velvet 35 offers thirty five meters of absolute fascination. Velvet 35 has the dash and lightness characteristic to an exclusive design. The space fore and aft is vast and comfortable while the sliding roof allows you to uncover a great part of the bridge. The glass doors lead to the central saloon with separate dining area and the double side window accentuates the sensation of brightness and lightness. The elegance of the interiors is linear and the harmony is striking below. The Master cabin, the VIP cabin and the two guest cabins are ample and carefully designed. The personalization is total both in the furnishings and in the division of the spaces.
